FIG. 1

MOUNTING GUIDE

1. Make in ceiling 2 holes $\text{Ø}6 \times 29\text{mm}$. Use holes in Mounting Shackle as a template (Fig. 1).
2. Place 2 Plastic Inserts into ceiling holes. Put on Mounting Shackle & tighten with 2 Tapping Screws (Fig. 1).
3. Tighten 2 Nylon Studs into thread holes of Antenna (Fig. 2).
4. Bend the 3 Cables & insert Antenna into special holes of Mounting Shackle by locking ends of Nylon Studs ("click") (Fig.1, Fig. 2).

ITEM	QTY
MOUNTING SHACKLE	1
